The Athens Drive Business Alliance provides support for Athens Drive High School's students. To accomplish this, Alliance members participate on steering committees, to determine which programs to undertake each school year. The teams meet with the principal and CDC monthly to determine the progress of each Team's goals in achieving the School-to-Career initiative, and in accord with the School Improvement Plan.

Business Alliance teams include:

- Student & Career Development
- Communication
- Leadership
- Membership
- Technology
